EPA HQ (Don Waye and Robert Goo) are the best OSDS contacts.

Good afternoon.

After the public hearing on HB 3172 last week, the Tenmile Lakefront Owners

approached me and were looking for a contact at EPA and/or NOAA to talk to about the CZARA requirements, management measures, water quality, etc...

I told them I would see if I could find a contact or two and get them a name and number.

Can you please tell me the best person(s) to get them in contact with?

I believe that they have questions regarding EPA/NOAA approval of our CNPCP, specifically the management measure for onsite septic systems.

Thanks,

Mike
